PROCEEDINGS

OF THE

MYSORE REPRESENTATIVE ASSEMBLY.

DASARA SESSION, OCTOBER 1922.

PART I.

SUBJECTS DISCUSSED.

BEFORE the subjects were taken up for discussion, Mr. C. Srinivasa Rao requested that the books containing the views of the Deputy Commissioners and the Heads of Departments on each subject might be distributed to the members to enable them to know whether any particular subject had to be withdrawn or whether the discussions could be modified. Mr. M. Venkatakrishnaiya suggested that if this was not practicable, at least, a copy containing the opinions of Heads of Departments and Deputy Commissioners might be placed in the Representative Home where all the members would have an opportunity of reading it.

Dewan.—The suggestion will be noted.

Messrs. Karnick Krishnamurthi Rao and K. T. Seshaiya suggested that important subjects might be first taken up and then the ordinary subjects.

Mr. G. Paramasivaiya opposed and suggested that the subjects might be taken in the order in which they were printed.

Dewan.—The subjects will be taken up in order this year.
